RESILIENT – THE AMERICAN SPIRIT

Resilient straight bourbon whisky barrels are hand picked single barrels of quality. We are looking for barrels that are well balanced with grain and wood. Barrels that really shine and bring some great flavors to the nose and palate. We enjoy finding these barrels, bottling them up and bringing them forward to our friends and community of whisky enthusiasts. The label contains all the information one would want: 53 Gallon newly charred American oak barrels, where it's bottled, barrel #, bottle #, filled on date, bottled on date, proof and mash bill.

Quality whisky, being transparent in the process with all the relevant information and bottled with enthusiasm, is our formula to being resilient in the ever changing times!

Enjoy!
